

Greetings!

Cowlitz County is celebrating our **2021** Annual Reunification Day!

Celebration Location: River Side Park, 1820 Westside Hwy, Kelso WA 98626

Date: August 19, 2021

Time: 12:00 - 4:00 PM

Reunification Day is the day we celebrate and honor reunified parents and families and celebrate the accomplishments of parents and families who have overcome an array of different challenges to reunify safely and successfully. Another vital part of the Reunification Day celebration, is to recognize the role of our community partners, including substance abuse providers, mental health providers, visitation providers, court and judges, child advocates, foster parents, and others who play a role in helping to reunify, strengthen, and support families.

Navigating through Juvenile Dependency takes an exponential amount of courage, strength, hard work, and growth. Please join in the festivities as we honor and take notice of parent leaders in our community who have cultivated lasting change.

If you are interested in hosting a table, we ask stakeholders to please:

- *Bring your own table and chairs.* If you are planning on hosting a table or booth, please feel free to bring your Provider/Agency resource material to have on your table for parents and families to pick up.
- *Bring an activity for your table/booth – child friendly activities please*
- *Please reserve your spot by connecting with Heidi Spencer at 360-747-2462 or heidi.spencerPRP@outlook.com.*
- Please be mindful of then current regulations related to COVID-19 and have fun on this joyous day!

If you have any questions, please reach out to **Angie Vilett** with *Cowlitz County Child Advocates* 360-218-9689 or **Heidi Spencer** with *Parent Representation Program* 360-747-2462.

We look forward to celebrating with you!

Sincerely,

The Reunification Day Planning Committee
